

## PASSO 1

Dopo aver cliccato su “Carica file”, sarai automaticamente indirizzato alla pagina di upload fornita da anyfile.net. Clicca su “Scegli file”.

## PASSO 2

Selezionato correttamente il file da caricare, il suo nome comparirà scritto di fianco al pulsante “Scegli file”. Clicca su “Upload”.

The screenshot shows the anyfile.net website interface. At the top, the browser address bar displays "www.anyfile.net". The main heading is "anyfile.net" in a stylized font. Below the heading, a promotional message reads: "Host any file\* up to 2GB for a week. We don't record your private data. Use encrypted connection?". A green bar contains a file selection area with the text "Scegli file" and the filename "Ing. Federico Carboni.docx", followed by an "Upload" button. The "Upload" button is circled in red, and a red arrow points to it from the text "Clicca su 'Upload'". Below the green bar, there are three checkboxes: "remove metadata from the file", "hide the original filename", and "protect with a password". A disclaimer states: "By pressing upload, you agree to be bound by the Terms of Service." At the bottom, a note reads: "\* uploaded files must not contain materials, which break the law or can be used for illegal purposes." The footer contains links: "Privacy Policy - Terms of Service - FAQ - Buy us a beer - Contact us".

### PASSO 3

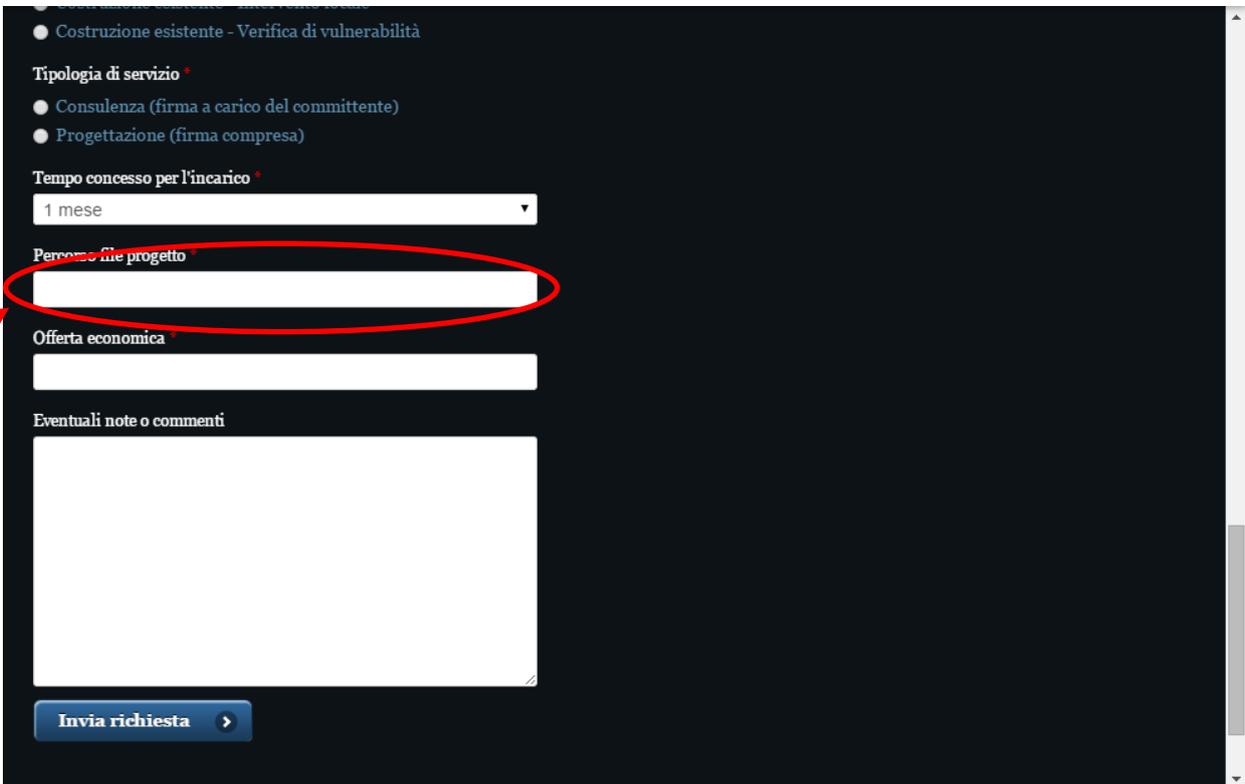

Eseguito l'upload del file comparirà la seguente schermata. Seleziona e copia la scritta che compare all'interno del riquadro "link to file".

The screenshot shows the anyfile.net website interface. At the top, the browser address bar displays 'www.anyfile.net'. The main heading is 'anyfile.net' in a stylized font. Below the heading, a file upload confirmation box is visible, titled 'Ing. Federico Carboni.docx'. This box contains three sections: 'link to file:', 'delete file:', and 'email these links to:'. The 'link to file:' section has a text input field containing the URL 'http://www.anyfile.net/AFIXfgq96IA/' which is circled in red with a red arrow pointing to it. To the right of this input field is a QR code. The 'delete file:' section has a text input field containing the URL 'http://www.anyfile.net/d/SZJU5DuQ6IA/' and another QR code to its right. The 'email these links to:' section has a text input field containing the placeholder text 'your email' and a 'Send' button below it. At the bottom of the page, a partial promotional banner is visible with the text 'Host any file\* up to 2GB for a week'.
